Dear Mrs Kirkpatrick:

I am sure you will not be terribly surprised to hear from me, after all the baseball season is drawing near.

Well I have been giving a lot of thought to where I would like to train this year, and have about decided if I can work out a satisfactory arrangement, I would like to come to Jacksonville again. I understand The Red Caps will not be in the western league this year but I do not know whether or not they will have a team.

I would appreciate it very much if you will find out if it would be possible for us to have the park from 11 to 3 each day. You no doubt know who to contact to get this information. If you do not have any direct contact with the park officials, I would suggest Spike Washington the gentlemen who wrote the colored news for the daily paper. I would like to get this information as soon as possible as the time is drawing near now for the season to start.

I hope you are feeling well, this leaves me just recovering from a slight cold. Please answer as soon as possible.

Very Truly Yours

Doc Miller
